Cartoon Sketching: Anime & Manga Characters and Creatures (Ages 5-12)

Sharpen eye-hand coordination and drawing skills while creating characters and fantasy creatures found in action and superhero movies, Japanese animation, and comic books. Create a cast and design a world to tell your own stories through comics or illustrated mini books. Class is suitable for beginners as well as advanced students that wish to continue to refine their sketching skills and try new art materials. A \$5 materials fee is due to instructor at first class for a sketching kit that will include a suitable drawing pencil, inking pen, artist eraser, and card stock to work on.

Parent/Child Clay Workshops!

(Ages 2 & up)

These workshops are a great way to get creative with your child. Each workshop will allow your child, with your assistance, to create their very own ceramic artwork. Take one, or take them all! Because the projects need to be fired, artwork will be available for pick up 2-3 weeks after the workshop.

\$15 per child per workshop

Fall Gourds

Using various hand-building techniques, you will create colorful gourds, such as pumpkins and squashes. Once created, you will paint them using liquid colored clay.

Triangle Youth Ballet Creative Movement

Our Stage One Classes are an introduction to dance through a ballet-based creative movement for boys and girls. Using music, movement and make-believe, students develop their dance skills. Young dancers experiment with new ways to move their bodies, both directed and free-form, with attention to musicality and rhythm. Age-appropriate cognitive skills, such as counting, sequential organization, spatial awareness and comparative abstract concepts are woven into the class structure.
