### The Alps

Stretching from France - through Switzerland, Italy, Germany, Austria and into Slovenia - the Alps are a small section of a great mountain chain that runs from North Africa through Europe and Asia. The Alps cover over 80,000 square miles and contain peaks towering over 15,000 feet (that's the same as stacking up 43 of Durham's tallest buildings!) The ecology of the Alps is extremely diverse because of the dramatic altitude and temperature changes, with a variety of animals and plant life, and the area has been inhabited by humans since the Paleolithic times – making it rich in cultural history.

Come learn about these heroic stories!

# SCHOLARSHIPS, MINI CAMPS and DANCE INTENSIVE

Durham Arts Council awards scholarships on the basis of financial need. Scholarships are awarded through a formal application process, and DAC offers scholarships to children and teens for up to 75% of the cost of the camp. The awards are made based upon the financial need of the child/teen's family. A scholarship application should be completed and attached to the camp registration form. Call Janet Bell, School Assistant Manager/Registrar, at (919) 560-2726 for more detailed information about scholarships and the application process. Scholarships for DAC School and camps are generously provided by a grant from the Fox Family Foundation, with additional support provided by Timmins Summer Scholarship Endowment, Sheetz, and individual donors. Support from these generous donors increases the opportunities for more children to participate in DAC School Programs.

## MINI CAMPS

Mini Camps are designed to fill the time right after and right before the start of school for year-round and traditional school students. Students are divided into age appropriate groups and participate in both visual and performing arts activities that are inspired by a weekly theme. DAC provides a fresh fruit snack. If your camper has food allergies to fruit, please pack a snack. Please pack your campers a brown bag lunch (no refrigerator or microwave available).

## Pop Art

Artists such as Andy Warhol and Robert Rauschenberg began creating art featuring everyday objects and images from popular culture. They blurred the line between commonplace, commercial art and fine art. This was further explored by using mechanical production methods and multiples. As artists combined different ways of creating, such as photography and printmaking they continued to challenge the traditional, and created what is now known as pop art.

### Session A: Scintillating Singapore

Singapore is one of only 3 surviving city-states, and as such is one of the smallest countries in the world. Despite its size the country's culture is surprisingly diverse. While the 3 main cultural groups are Chinese, Malay and Indian, settlers from each group originated from different regions resulting in Singapore having multiple official languages. Cultural activities are all rooted in major civilizations, but shared across all groups. You will find Malay, Chinese and Indian music widespread, as well as Indian and Chinese painting and drama practiced by many. Come explore the diverse culture of this scintillating city-state!

**June 17 – June 28 (2 weeks)**

**9:00 AM – 2:00 PM (Drop-off begins at 8:00 AM)**

**\$360 (\$340 per additional child of same household)**

### Session B: Picturesque Portugal

As the Roman Empire declined and Europe moved into the middle ages there were many battles happening in the Iberian Peninsula with Visigoths and Moors migrating in, but those tumultuous times have given us beautiful castles! With the building knowledge and creativity of the Romans and Moors combined; castles were built that were far stronger than any others of the time and still overlook the diverse landscape of beaches and mountains found in Portugal. Take a step back to this exciting time as we explore the castles of Portugal!

**July 8 – 12 (1 week)**

**9:00 AM – 3:00 PM (Drop-off begins at 8:00 AM)**

**\$180 (\$170 per additional sibling or same household)**

### Session C: Eclectic Ecuador

Lying close to the equator Ecuador doesn't experience the 4 seasons as we know them; just a dry and a wet. What they lack in seasonal diversity they make up for in spades of cultural diversity. Fourteen indigenous groups, a strong Afro-Ecuadorian influence and Spanish settlers have led to a diverse and stratified culture. Cultural traditions have been passed down by generations, including woodcarving and weaving. Music has played an important role in society in Ecuador since ancient times, long before the evolution of the Marimba music of today. Come learn about the arts of this eclectic country!

**July 15 – 26 (2 weeks)**

**9:00 AM – 3:00 PM (Drop-off begins at 8:00 AM)**

**\$360 (\$340 per additional child of same household)**

### Session D: Noteworthy Nigeria

An Africa nation located on the western coast, Nigeria has a diverse climate, landscape and population. The culture of Nigeria is grounded in its heritage but also has Arabic and European influence. The art is reflective of the countries diversity, with artists creating sculptures, statues and masks from traditional materials such as bronze and terra cotta, with some artist also using more contemporary materials such as oils. Traditional music and dance is used throughout the country for ceremonies and festivals. Come discover the traditions of this African Nation!

**July 29 – August 9 (2 weeks)**
