

Arts Integration Dance Residency (All ages)

This residency can be adapted to meet individual student needs and IEP goals including for students who have gross motor challenges or require assistive devices for mobility or speech. A planning meeting with participating teachers of approximately 45 minutes to an hour is required in advance of the residency and again half-way through the residency,

either in person or via phone.

Activities: 5-10 class sessions (in collaboration with classroom teacher) up to 5 classes per day.

Planning/Orientation: **2 planning meetings with participating classroom teachers and teaching artist

Ages: Pre-K – 12

Location: Classroom, utility room, or gym – enough room for students to stand or sit in a circle.

Materials: Electrical outlet, Smart board/white board, chart paper and markers

Length: 45-60 minutes per class

Capacity: Up to 35 students per class

Cost: \$125.00/class
